Dear University Village Residents:

On behalf of University Village Hall Council, we would like to thank you all for participating in the University Village Hall Council Food Drive. Because of your contributions, we were able to donate a total of **6 cases of food weighing approximately 163 pounds** to the Food Bank of Northwest Indiana on November 24, 2009.

We look forward to coordinating food drives on behalf of The University Village community in the future. With your help we will continue to make positive contributions to the Northwest Indiana region.

With much gratitude,

University Village Hall Council
