Dear University Village Residents:

On behalf of University Village Hall Council, we would like to thank you all for participating in the University Village Hall Council Penny Wars Challenge. Because of your contributions, we were able to donate **\$148.78** to the Purdue University Calumet / Lake Area United Way Campaign.

University Village Hall Council would like to announce that the winners of the University Village Hall Council Penny Wars Challenge are the residents of the **First Floor of Phase I** and the residents of the **Third Floor of Phase II**. Residents of the **First Floor of Phase II** raised the most money, though they did not win the penny challenge. University Village Hall Council will be sponsoring a pizza party for each of these floors in their respective buildings this week.
